

Athene Product Training

PLEASE NOTE: Product training must be completed by ALL agents before writing business. Product training is required for all agents prior to selling Ascent Accumulator with its new optional legacy rider. If you have already completed training for Ascent Pro, you have met the requirement for the enhanced Pro products. If you have already completed the training for Athene MYG, you have met the requirement for Athene MaxRate.

New to RegEd?

- Begin registration by logging onto: <https://secure.reged.com/TrainingPlatform>
- After registering, select the state in which you are selling or plan to sell annuity products. Supply the necessary information and Save
- Advance to Accessing Product Training

Already Registered?

- Log-in to RegEd with your User ID and Password
- Advance to Accessing Product Training

Accessing Product Training

- Once logged-in to RegEd, you will be at the Producer Status screen. Scroll down to the Carrier-Specific Product Training section
- The training for Athene Annuity Product Training should be displayed. Select the training that you would like to take and click Go to Requirements
- If the training is not displayed, click Enter Product Code on the left side of the screen. Enter the code for the product you will be selling, then click Submit

Product Codes

- o Athene_2016 – Full portfolio covers all 7 products. (Must be completed if you've never taken Athene product training.)
- o AscentPro_2016 – This includes all Ascent Pro products, MYGA not included. (If you've completed the full portfolio in the past.)
- o Maxrate_2017 – MaxRate only (If you've completed the full portfolio in the past.)
- o Accumulator_2016 – Accumulator only (If you've completed the full portfolio in the past.)

Please print the completion certificate and send to our Licensing & Contracting Department at licensing@3d advisorsinc.com or fax to 586.580.8586.
