

The Standard Product Training

PLEASE NOTE: The Standard requires annuity product training for states that have adopted the NAIC Annuity Suitability Model. Product training must be completed prior to writing business or applications will need to be re-dated. This training can be completed prior to being contracted with the carrier.

- Go to: <https://www.standard.com/annuities/training/>
- All Product Training is combined into one training link that begins as soon as you click into the link above
- Review the **Product Information PowerPoint**
- Complete the **Product Acknowledgement** page and hit the **SUBMIT** button
- There is no test
- You'll receive an e-mail confirming completion

Please print the completion certificate and send to our Licensing & Contracting Department at licensing@3d advisorsinc.com or fax to 586.580.8586.
