

American General Product Training

****Effective January 26 2016, ALL** agents, including those who have previously taken our Index Annuity product training must take our new product training that contains important information about these two new index crediting strategies (Power 7 & 10 Protector and Protector Plus Income) and the new index they utilize.

PLEASE NOTE: Annuity product training must be completed prior to writing business in ALL states or applications will need to be re-dated. This training can be completed prior to being contracted with American General.

Below are the carrier's online training instructions. In addition to any carrier product training requirements, please be sure before you take any applications in any NAIC state that you are also compliant with the states hourly NAIC requirement. You may go to <https://secure.reged.com/TrainingPlatform> to view the state requirements and complete approved courses. **Note: American General requires that you complete their online product training (required for ALL states regardless of the NAIC requirements.)**
