

Global Atlantic Product Training

PLEASE NOTE: ALL agents are required to complete product training prior to writing business.

****Effective February 1, 2016, Global Atlantic has added BlackRock Diversa™ Volatility Control Index¹ to several of their existing products. Updated training must be completed before writing new business.**

New to RegEd?

- Begin registration by logging onto: <https://secure.reged.com/TrainingPlatform>
- After registering, select the state in which you are selling or plan to sell annuity products. Supply the necessary information and **Save**
- Advance to **Accessing Product Training**

Already Registered?

- Log-in to RegEd with your User ID and Password
- Advance to **Accessing Product Training**

Accessing Product Training

- Once logged-in to RegEd, you will be at the Producer Status screen. Scroll down to the Carrier-Specific Product Training section
- The training for **Global Atlantic Annuity Product Training** should be displayed. Select the training that you would like to take and click **Go to Requirements**
- If the training is not displayed, click **Enter Product Code** on the left side of the screen. Enter the code for the product you will be selling then click **Submit**

Product Codes: (they are case sensitive)

FTFCARE- ForeCare Fixed Annuity with Long-Term Care Benefits
INCOME150SE- Income 150+ SE Fixed Index Annuity
SecureForeAll- SecureFore Fixed Annuities
ALLCHOICE- Choice Accumulation II and Choice Income II Fixed Index Annuities
ForeCertain- ForeCertain Income Annuity

- Review the Global Atlantic Training Standard page and click **Proceed** at the bottom of the screen
- The Training Presentation will start
- Complete the training, read the disclosures, and select **ATTEST**
- Complete training verification by clicking **A-Yes** and then **Continue**
- After the course evaluation (this is not required), your Certificate of Completion will appear
- Print your certificate and keep it for your records. RegEd electronically notifies Global Atlantic that you have completed the training.

IMPORTANT: To satisfy your product training, you must read the disclosures and **ATTEST**. This is a necessary step in all states to satisfy your carrier-specific product training for Global Atlantic Annuities.

***Please note that Long-Term Care training, as well as product training, is required for the Forecare product.**

**** Effective September 7th, 2018-** All agents are required to take the new product training prior to soliciting the new products. The new products and RegEd product training are available now. All old products are being discontinued effective September 7th, 2018.

Please print the completion certificate and send to our Licensing & Contracting Department at licensing@3d advisorsinc.com or fax to 586.580.8586.
